Please write this token down, because it will be used to identify your resolution when you want to continue working on it later. Talk to your Chair if you've forgotten your resolution token. *Looking at your browser's history can be helpful too.* Your current access level is MA.

This resolution has been assigned a resolution ID that can be used to uniquely reference this resolution in other documents or resolutions: `(MUNOL/2018/001)`

📋 Status: Plenary Debate Finished #11

The second final stage of this resolution has been reached after a plenary debate.

➡ Important: Concurrent Editing

Please be aware of the fact that **opening the same resolution on multiple devices can have adverse effects on the integrity of the resolution** because the changes aren't updated on other devices until the page is reloaded and all unsaved local changes are thereby deleted.

Meta-Information

This information is updated every time the page is reloaded. Timestamps are in local time on the server. (Germany: CET/CEST)
